June 2, 2017. 71

This is a
fantastic
collection of
mindfulness
habits by Steve
Scott and Barrie
Davenport. The

book starts off
by asking a very
important
question that
gets you
thinking: "How

Download File

PDF 10 Minute

can you remain
in the present
when you have to
plan, schedule,
achieve goals
and live life in
a world that is
so focused on
the future?" .
