Volvo Penta 2001 in Boat Engines &
Motors for sale | eBay

Here we have a Volvo Penta 2001
diesel inboard marine engine. This is
in good condition and runs well, it'd
just need a service and should be
ready to be used. There are no nasty
noises or broken parts and I'd say it's
only had fresh water use. The water
pump works well with good flow.
Mechanically it sounds, fantastic with
no nasty noises or leaks.
