hurry up and wait A phrase commonly found in the military. This phrase depicts the day-to-day grind of soldiers where they have to "hurry up" to point B only to have to wait hours for the event to occur. This phrase also applies to anything that requires you to be on time but does not start for a good while.

Hurry Up And Wait shows brilliantly how vital these unsatisfactory friendships seem at the time. For Sarah, whose mum died when she was tiny and whose dad is older and less cool than the other dads, her friendship with Kate is central, but her increasingly close connection with Kate and her family leads to an event that has a devastating effect on Sarah's life.
