This textbook is for Second Grade, but the concepts and text are reasonable for an average/above average level first grader. After looking at several homeschooling science programs, I went with this for ease of use and cost. For \$10, I have both the textbook and workbook! I like that the text covers more than one type of science and my daughter loves the pictures. I included pictures of the ...

Harcourt Science 2nd Grade  
Workbook There is a lot of  
reading in this book though,  
so if you have a struggling  
2nd grade reader they may  
find it frustrating if they  
have to do it on their own  
without help. The stories in  
the reading section are fun  
and educational, and are a  
mixture of history, science,  
facts, and fiction. This is  
a good workbook for  
homeschooling. Page 10/18.
