Sally and Henry's sailing adventures: A fez of the heart.

While living and teaching in Turkey for several years, Jeremy Seals developed an obsession for the fez, a hat he believes has come to symbolize the soul of the country. Through interviews with villagers and historical essays, Seals chronicles his journey through Turkey, to areas both metropolitan and remote, to find the heart of the country as embodied by its national head gear.

So I decompiled FEZ.exe and found codes that only work when you're standing in the heart room beyond the 64 cube door... You actually enter the codes in the menu screen –there's a separate code for both the letters and numbers artifacts. When you do both, the heart disintegrates, and the game does a faux-reboot!

There are only three collectible Heart Cubes in FEZ, one in the Observatory, another in the Metatron Room, and another one in the Monolith Room. There is a non-collectible Heart Cube (known by fans as the Love Cube) in the Temple of Love that only appears in when the previously mentioned three Heart Cubes have been collected. Entering a certain code will make it disappear, and restart the game.
