The TSI math

test is an exam  
used in Texas to

determine your  
abilities (and  
therefore what  
class level you  
will be placed  
into) when

entering college  
or community  
college. If you  
get a low score  
on the test,

File Type PDF

you'll be placed  
in a remedial  
math class,  
which will be a  
drain on both  
your finances  
and your time  
that could  
easily have been  
avoided.
