Eighteen all-time favorite fiddle tunes arranged for fingerstyle guitar solo. Arrangements include Merle Watson's famous guitar solo rendition of Bonaparte's Retreat. The arrangements are in notation and tablature. Freeaudio files available

This collection of fiddle tunes originally appeared in Kaufman's Collection of American Fiddle Tunes for Flatpicking Guitar (MB 95748) but the book was so large and heavy that they couldn't put all the songs on CDs to include with the package so it was divided into four great, melody packed volumes. Each book now includes a CD that holds all the songs in the volume. Steve Kaufman says he can't emphasize enough the importance of developing a large repertoire of tunes. Fiddle tunes give us melodies that eventually allow us to begin to improvise. Sometimes without even knowing it. the more tunes you know, the more melodies and intersecting melody lines you know. This allows you to eventually cut and paste portions of the melody line into another song. In the beginning you will probably unknowingly replace and ending run. These are the last two measures of the section of a tune. Many of them in the same key are interchangeable, unless they are specific to the melody of the song. After a while you will cut out measures in the middle of the song and then you will be able to take the snips of melodies and play them in another song in a different key thus beginning to improvise. All of this is possible because you built up your repertoire of tunes.

Steve Kaufman takes his favorite American fiddle tunes for the mandolin and puts them alphabetically in four volumes. Steve plays the mandolin exactly as it is written so the student can hear the melody and dynamics just as he would play it. Accompanying the large set of books are CDs with guitar rhythm accompaniment included. Build your repertoire, right and left hand skills and have fun playing at jam sessions with your friends. This 4 volume set written specifically for the mandolin also has a sister series for guitar.

Bill Piburn has penned artist fingerstyle guitar solos on 90 favorite fiddle tunes. The solos are both beautiful and rousing in style. All solos are presented in notation and tablature. John Schroiter of Fingerstyle Guitar Magazine writes, "Traditional fiddle tunes get a breath of new life in the gifted hands of Bill Piburn. Behind each of his carefully crafted arrangements are consummate musicianship, taste, and imagination. The result of his efforts are presented here in a collection of wonderful pieces that are as much fun to play as they are to hear."

(String Letter Publishing). Add to your repertoire and reinforce your technique with this collection of traditional, easy-to-play American roots music. This book/CD pack contains 15 old-time classics arranged so that acoustic guitarists can practice single-note melodies, basic strums and basslines, and simple chords. Includes detailed notes on song origins and arrangements, complete song lyrics, standard notation, tab and chord diagrams, plus a companion CD with complete guitar parts! Songs: The Blackest Crow * Bury Me Not on the Lone Prairie * Down in the Valley to Pray * Eighth of January * Golden Slippers * I Truly Understand * John Brown's Dream * Little Liza Jane * Man of Constant Sorrow * New River Train * Oh, Them Golden Slippers * Over the Waterfall * Queen of the Earth, Child of the Stars * Rain and Snow * Richmond Blues * Willow Garden. Companion songbook to The Acoustic Guitar Method !

This fun and easy bluegrass fiddle book and audio download takes you from the very beginning. Starting with an introduction to the instrument, the book teaches you basic fiddle technique such as holding the bow, and provides scales and exercises setting the foundation for the repertoire found in the book. Featuring classics such as Boil E'm Cabbage Down, Cripple Creek and Old Joe Clark, this book will get you playing in no time!

North American Fiddle Music: A Research and Information Guide is the first large-scale annotated bibliography and research guide on the fiddle traditions of the United States and Canada. These countries, both of which have large immigrant populations as well as Native populations, have maintained fiddle traditions that, while sometimes faithful to old-world or Native styles, often feature blended elements from various traditions. Therefore, researchers of the fiddle traditions in these two countries can not only explore elements of fiddling practices drawn from various regions of the world, but also look at how different fiddle traditions can interact and change. In addition to including short essays and listings of resources about

the full range of fiddle traditions in those two countries, it also discusses selected resources about fiddle traditions in other countries that have influenced the traditions in the United States and Canada.

A unique collection of 66 fiddle tunes illustrating the major regional styles found across America and Canada. This book contains rare vintage photographs, player's biographical profiles, historical and performance notes, bowing indications, and information on cross-tunings and the American institution of fiddle contests. the authors have collaborated brilliantly on this labor of love to produce a definitive volume of tunes transcribed from recordings by many of the best fiddlers in North America. Exemplary tunes are included from the Northeast, Southeast and Western regions, plus various widespread ethnic styles including Cajun, Irish, Scandinavian, Klezmer, and Eastern European styles.
