Angels & Whiskey is the first book in Saddles & Racks Series. I thought the story was okay, it was fast paced and suspenseful. I just didn't connect with the main characters all that well. I did like Paul and his humor during the story, and since his story is the next book I will be reading it.

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell ’ s Angels, that is—in this short work of nonfiction. “ California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again. ” Thus begins Hunter S. Thompson ’ s vivid account of his experiences with California ’ s most notorious motorcycle gang, the Hell ’ s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “ For all its uninhibited and sardonic humor, Thompson ’ s book is a thoughtful piece of work. ” As illuminating now as when originally published in 1967, *Hell ’ s Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

'Angela's Ashes' is the memoir of retired schoolteacher Frank McCourt. He grew up in New York in the 1930s and in Ireland in the 1940s, in a large family, with an alcoholic father. It is a story of courage and survival against apparently overwhelming odds.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Look Homeward, Angel by Thomas Wolfe is about a young man ' s burning desire to leave his small town and tumultuous family in search of a better life, in 1929. It is Wolfe's first novel, and is considered a highly autobiographical American coming-of-age story. The character of Eugene Gant is generally believed to be a depiction of Wolfe himself. The novel covers the span of time from Eugene's birth to the age of 19. The setting is the fictional town and state of Altamont, Catawba, a fictionalization of his home town, Asheville, North Carolina. Rich with lyrical prose and vivid characterizations, this twentieth-century American classic will capture the hearts and imaginations of every reader.

From the critically acclaimed author of Mascot comes this heartfelt novel, perfect for fans of John David Anderson and Cammie McGovern, about a girl searching for the meaning of family. Lola and Momma have always been a team of two. It hasn ' t always been easy for

Lola, being one of the only kids she knows with just one parent around. And lately she ' s been feeling incomplete, like there ' s a part of herself that she can ' t know until she knows her dad. But what will happen—to Lola, to Momma, to their team of two—if she finds him?

Rhys Cole's life has always revolved around hockey. Growing up, he knew he'd play in the National Hockey League, but when his dream of being drafted didn't happen, he chose the next best thing: becoming a hockey sportscaster for a local sports station. But just like in sports, you win some, you lose some. When Rhys discovers his girlfriend cheating with a stranger in his bed, he walks to the local bar down the street to let off some steam. After moving her way up the journalism field by covering stories in extreme weather conditions and working late hours, Ashtyn Valor is now the lead anchor for the nightly news. Finally settled into her career, Ashtyn is ready to take the next step in life with her boyfriend. But when he unexpectedly breaks up with her, Ashtyn decides to numb the pain with alcohol at the closest bar. Rhys and Ashtyn both expected an evening of alcohol to mask the pain of that October night. What they didn't expect was meeting someone who could shield them from the darkness of their heartaches. Or that their pasts would dangerously intertwine ... When obsession becomes dangerous, Ashtyn turns to Rhys for safety. But how safe are they really? The game of love always goes on. And their game was just beginning.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To

## Read Free Angels Whiskey Saddles Racks English Edition

Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Kelsey North had never kissed a billionaire before. She had never yelled at a billionaire before. In fact, before she arrived at Darrow Law School, she had never met a billionaire. A small town girl rebuilding her life, Kelsey lived in a world far from the seductions and temptations that money has to offer. But now she knew two billionaires - the gorgeous, devilishly carefree Ryan Perkins, and the handsome, but arrogant Tyler Olsen. Will Kelsey be able to resist the lure of the Billionaire Boys Club? Set in the lush greenery of Seattle's most exclusive neighborhoods, The Billionaire Boys Club is the first book in the Billionaire Romance series.
