Book Review: The Art of Moana. The artworks in this book are so beautiful. I know the place featured in Moana is fictitious but it still feels like a place I really want to visit. Looking at the art transports my mind to another world. The paintings of the mountains, seas, environment and light are wonderful.

Brave is Pixar's thirteenth feature film, but it marks two big firsts for the award-winning animation studio. It's Pixar's first feature film driven by a female lead and its first set in an ancient historical period. Against a backdrop of castles, forests, and highlands, *Brave* follows the fiery Merida as she clashes with the duty of her royal life and embarks on a journey through the rugged landscape of the dark ages of Scotland. At once epic and intimate, the latest Pixar masterpiece weaves a story of magic, danger, and adventure and the fierce bonds of family. Featuring behind-the-scenes interviews with the film's many artists and filmmakers, *The Art of Brave* showcases the gorgeous concept art that went into the making of this movie, including color scripts, storyboards, character studies, environment art, sculpts, and more. A Foreword by Brenda Chapman and Mark Andrews, the film's
