A NEW VERSE TRANSLATION

The first version that I read was a |bilingual| version by Seamus Heaney. It had the original Old English on the left-hand page, and Heaney's modern English rendition in verse on the right-hand side facing it. Even though I do not know any Old English, I still am really happy about the fact that this version is bilingual.

In-text citations in MLA 8 th edition are done using parenthetical references. Because Beowulf is an anonymous poem, the first element of the in-text citation (as in the citation on the Works Cited page) will be the title of the work, in italics. What comes next depends on how the work is presented in the actual version you are using.
