BOT-2: Fine and Gross Motor Supplemental Manual for ...

Two options for scoring and reporting the BOT-2 are now available on Q-global. The first option is to pay per-report. Customers who administer the BOT-2 only a few times each year, or those who want the flexibility to pay only as the assessment is used, may prefer this option.

Bruininks-Oseretsky Test of Motor Proficiency, Second ...

Venetsanou et al. , who compared the total score of the BOT-2 SF and the standard score of the BOT-2 CF in pre-school children (age range 4.5 – 5.5), revealed that the SF total point score (M = 58.72) significantly overestimates the overall result in comparison with the CF standard score (M = 47.38). Nevertheless, comparing the standard score of the CF and the total point score of the SF does not make sense since the SF total point score does not consider age and sex.
