insureds benefit from the captive insurer's underwriting profits. These points do not clearly distinguish the captive insurer from a mutual insurance company.

What Is Captive Insurance? | Captive.com

(December 2010) Captive insurance is an alternative to self-insurance in which a parent group or groups create a licensed insurance company to provide coverage for itself. The main purpose of doing so is to avoid using traditional commercial insurance companies, which have volatile pricing and may not meet the specific needs of the company.

Captive insurance - Wikipedia

On July 31, 2020, the IRS sent out a second wave of so-called "Soft Warning Letters" to the owners certain risk-pooled captive insurance companies that qualify under Tax Code § 831 (b). This...

IRS Sends Second Wave Of Soft Letter Warnings To Certain ...

The ability of a captive to potentially provide broader coverage and more specific loss triggers than the commercial market creates an opportunity generally to better manage the financial impact of a cyber event, a faster return to normalised operations through the prompt availability of funds from the captive and the ability to better interface with the information security
