The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Boris Nikolayevich Yeltsin was a Soviet and Russian politician who served as the first President of Russia from 1991 to 1999. Implement standards-based grading practices that help students succeed Classroom assessment methods should help students develop to their full potential, but meshing traditional grading practices with students ' achievement on standards has been difficult. Making lasting changes to grading practices requires both knowledge and willpower. Discover eight guidelines for good grading, recommendations for practical applications, and suggestions for implementing new grading practices as well as: ? The why ' s and the how-to ' s of implementing standards-based grading practices ? Tips from 48 nationally and internationally known authors and consultants ? Additional information on utilizing level scores rather than percentages ? Reflective exercises ? Techniques for managing grading more efficiently

Although many Civil War reference books exist, Civil War researchers have until now had no single compendium to consult on important details about the combatant states (and territories). This crucial reference work, the sixth in the States at War series, provides vital information on the organization, activities, economies, demographics, and laws of Civil War South Carolina. This volume also includes the Confederate States Chronology. Miller enlists multiple sources, including the statutes, Journals of Congress, departmental reports, general orders from Richmond and state legislatures, and others, to illustrate the rise and fall of the Confederacy. In chronological order, he presents the national laws intended to harness its manpower and resources for war, the harsh realities of foreign diplomacy, the blockade, and the costs of states ' rights governance, along with mounting dissent; the effects of massive debt financing, inflation, and loss of credit; and a growing raggedness within the ranks of its army. The chronology provides a factual framework for one of history ' s greatest ironies: in the end, the war to preserve slavery could not be won while 35 percent of the population was enslaved.

Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina. Lectio divina, or "divine reading," is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind. Give Us This Day deals in depth with entire passages and their contexts. Rather than selecting only certain portions of the New Testament to write about, Fr. Charles has written a devotional for each and every passage of the New Testament. Fr. Charles writes for the whole person: he's not afraid to use his sense of humor, and he carefully relates the Bible not only to the individual's life but also to the life of the Church. At the end of each day's devotional, an appropriate Prayer is offered, as well as Points for Further Reflection on the day's lesson. Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading, meditation, and prayer.
