Are you saying right now DAMN THOSE (Bleeping) CREDIT BUREAU'S? Are those Credit Bureaus stopping you from getting: AN APARTMENT: Sorry here is your damage deposit back your credit application was not approved but thanks for the \$30.00 credit application fee. EMPLOYMENT: Sorry you are qualified and we really liked your interview, but after seeing your credit report we will be going a different route. AUTOMOBILE: Well we did get you approved but unfortunately the down payment we talked about will be significantly more. Your monthly payment will also be \$168 more a month. We understand that's not financially possible for you but if things change let us know. There is a bus stop about a block away thanks for coming in and help yourself to a cup of coffee on your way out. HOUSE: You seem

like a nice couple and it's great you are expecting your first child soon but unfortunately we can't get you the mortgage we advertised everywhere. You might want to try those companies online that charge insane interest rates and want a huge deposit as well as your first born child. Thanks for coming in and would you mind filling out a survey online about how well we served you today? "A good friend of mine is a divorce attorney. He knows what I do so whenever we get together the subject always seems to go to credit. He told me he's shocked at how much "spouse has bad credit" comes up during a divorce. He says it's always an issue woman have. We have deducted that woman love to nest. They want security (I guess we didn't have to be rocket scientist to figure that out)." So anyway STOP RIGHT NOW AND SCROLL TO THE TOP OF THE PAGE AND BUY THIS BOOK SO WE CAN GET STARTED. Is that being forward enough? Seriously we are talking about the cost of a cup of Starbucks coffee. By the way Starbucks in no way endorses my book lol. Howard Schultz the chairman and CEO of Starbucks I'm sure doesn't have credit issues. " So if you are still here you might need some more convincing I guess. Good for you... due diligence." My name is John D. Harris I could go on and on here about my experience working as a credit bureau manager but I won't bore you with all the details. THIS REALLY IS NOT ABOUT ME ANYWAYS. IT'S ABOUT YOU AND YOUR CREDIT. Even though your credit affects your whole life experience you probably know very little about real credit repair. Most of the books I have read online about credit repair are out of date or more often than not don't really have a clue what is going on. Let's face it all are lives are on a clock that is always ticking. Tick Tock Tick Tock. THIS IS NOT A PRACTICE RUN. This is your one life. Every day with bad credit is a day you are not experiencing your full life experience. Imagine knowing you have great credit. You know when you talk to the guy in the suit that you have great credit. You know you will be approved for anything. You can shop around for the best rates. You have the best property and pay less than the guy with the dumpy property. You drive the best car for less than the poor guy driving the seven-year-old vehicle. You might start flipping property. You might buy a business on credit. People respect you because you are the baller, you can get things done because you have access to CREDIT. You can take advantage of great deals because you have CREDIT. My bet is that you know more about cooking a turkey, changing your oil, what's on Netflix, Geography, Donald Trump, Words of a different language, Facebook, etc. THAN YOU DO ABOUT REAL CREDIT REPAIR. I guarantee you can have good credit PS: I am a real person, with my book I include my phone number and email. You will also get unlimited access to my members only website with so many valuable resources. John D. Harris

Look we all pray for good credit. Your Prayers have been answered. Thirty-one States sued the credit bureaus and you won. Updated for 2019. They say one picture is worth one-thousand words. Well one video must be worth one million words. Credit Repair Credit Dispute letter Bible Have you read any of these other credit repair books? I have read almost all of them. Most should be filed in the fiction section of Amazon. Seriously I know most of these people have no idea what they are talking about. It's like someone got something deleted from their report and they are experts. I first started working in the credit business many years ago. My first job was working as a loans officer for a national bank. My job was to get financing for people with very shaky credit. Much of my pay was commission based. This really drove me to help people get the loans they needed. The only way to do this was to rapidly increase their credit score. At first this seemed impossible but

after a chance encounter with a man named Tom Bradley things started to change. Tom worked at a national credit bureau and we met at a business convention about mortgages. Tom showed me many techniques on Rapid Rescoring and Quick Credit Repair Techniques. Me and Tom stayed in touch and a few years before he retired he got me a job at his credit bureau. When I first got there I was very surprised at how high up in the company he was. He took me under his wing and that's when school got kicked into high gear. We worked 9 hour days and every second Saturday. Talk about a lesson on the credit industry. He showed me things that would be the difference between someone losing their house or not. It was very powerful stuff. I could go on and on here about my experience working as a credit bureau manager or how I was a loans officer for 6 years but I won't bore you with all the details. This really is not about me anyways. It's about you and your credit. You can choose to believe me or not. But here are some things to consider 1) I am a real person, with my book I include my phone number and email. 2) Don't ever (like all these books tell you) get your free report from www.annualcreditreport.com. This gives the bureau's 45 days to respond instead of 30 days. 3) When you get your report Opt out of the mandatory arbitration agreement or you are already starting to lose the game. 4) Your credit dispute has been OUTSOURCED TO INDIA. 5) My book was updated in 2016 not some old stuff these books try to tell you will work. For the cost of a few overpriced Starbucks Frappuccino's I am going to sit down with you through my book and give you the real deal. You will learn how to beat the system legally. See you on the other side.

Watch this video http://www.youtube.com/watch?v=812Q-604q_Q For a great explanation of this product from me. Ok, let's start at the beginning. First I am going to assume you want to make money online. Secondly I am going to assume you understand Ebay is dying and Amazon is taking over the world. Never in the history of the world has it been possible to get WORLD DISTRIBUTION of a product overnight. Amazon has fulfilment centers everywhere. You never touch the product. This is why SMART people are always looking for the perfect Amazon product. Now imagine trying to get a physical product on Amazon..... Try sourcing "sunglasses" wholesale and sell them on Amazon. You won't even be able to buy them wholesale for what they are being sold at retail because of the buying power of these established guys. So what product can you setup in a few days that can WORK? Well you don't have to be Stephen Hawkins to figure out THE PERFECT AMAZON PRODUCT.... YOU ARE READING ONE..... it's publications..... Amazon started as a simple book seller..... that's their whole platform.... THAT'S WHAT THEY DO... Did you know Amazon also has a SPECIAL PPC advertising platform for publications that is way cheaper than for physical products.... When a publication is sold Amazon pays what it calls "ROYALTIES". By the way, ROYALTIES has become my favorite word in the English language. here is another thing you need to understand about THE AMAZON GORILLA Grandpas war stories or your moms recipes are fun and everything.... but don't expect to make a lot of money from it..... people just don't buy those types of publications.... I mean let's face it..... when was the last time you saw anyone even listening to Grandpa..... Now Imagine asking someone to pay to listen to Grandpa. Now CREDIT REPAIR PUBLICATIONS that's a different thing.... THE AMAZONIAN GORILLA gives many "ROYALTIES" for those publications if its setup right.. HERES WHY This site lets you know the number of searches done for items on AMAZONmerchantwords.com Try the word "credit Repair" 4.7 million searches a month on Amazon. I have 6 credit repair publications on Amazon. Rapid Results Credit Repair, The Credit Repair Bible etc. Now this is important.. Credit repair is so affiliate friendly and this is so so important. Your publication ALWAYS sends them to your website that has many offers they need... Like credit monitoring and credit cards for people with bad credit. They trust your publication because they bought it on Amazon and they trust your opinion..... NOW not only are you making Publication money but you are making AFFILIATE MONEY..... Now let me tell you a quick story about AFFILIATE MONEY..... To be honest I never really knew the full potential of it until I hate to say it my Ex Wife started meddling with my business. We got a check in the mail for \$18.00 from a company called Credit.com..... She being nosey and always interested in a free check... lol said what's this check for?????? I told her it's an affiliate check for someone applying for a credit card for people with bad credit..... and I told her WHO CARES ITS ONLY \$18.00..... So she ended up putting affiliate stuff all over the website..... So fast forward 3 or 4 months later and seriously folks we are getting checks for \$17,867 \$21,657 \$19,756 SO NEVER MISS THE AFFILIATE MONEY. So here is what you are going to need and I am going to give you: This publication contains an ACCESS code on the top of each page. This access code GIVES YOU A FULLY FUNCTIONING WEBSITE (which by the way has made me millions) a Base Manuscript for Kindle and a Base Amazon Manuscript with a "Right to Publish Agreement" AND ACCESS to my 3 hour UDEMY video course. Plus AND MOST IMPORTANT my direct email and phone number so you can text me any questions as you setup your money funnel. PSS: You can see my publications "Rapid Results Credit Repair" and all 5 others on Amazon. YOU CAN
