Netherlands, and the UK - is provided. This includes domestic constitutional and statutory provisions, provisions from international treaties, and instruments of the EU. In addition, selected sources from the US are provided. Sources are reproduced in the original English or are rendered as fresh English translations under critical editorship. Unlike many other translations, The Maastricht Collection remains true to the content, style, and syntax of the original texts. This allows the reader to appreciate, not only the substance, but also the authentic form - and the beauty - of foreign legal sources.
