Earthbound (Dragons and Druids Book 2) by Leia Stone (1) 1 We got to Isaacs's land when it was still pitch black out, but that didn't stop Keegan from exiting the bus with Cooper's lifeless form in his arms. Logan dug the hole in front of the biggest, most beautiful redwood tree I'd ever seen, and lowered Cooper into it.

Alone, on the run, and fighting for her life. Sloane Murphy thought hiking the Grand Canyon alone after graduation would be an awesome adventure. Until she slips and starts to plummet to her death. Then the unthinkable happens. She transforms into... a dragon. After flying to safety and trying to convince herself she isn't having a mental breakdown, the hunters come for her. She runs, somehow managing to stay one step ahead of them. Until her luck runs out. Now the hunters have her and they intend to kill, not capture. That's when he comes for her. Logan Sharp is the last dragon shifter alive. Or so he thinks, until he gets word that the druids are hunting a red headed female. from. Not even Lincoln. Brielle needs to learn to fight the darkness that threatens to take her over, because little by little, she's losing her light.

The last time fairy princess Nineva Morrow engaged in magic, evil forces rendered her an orphan-isolated and incapable of trusting in anyone's survival. But after years of hiding on Earth, she'll use her powers once more-and attract more knights than she can handle

While hunting a powerful female vampire who is wreaking havoc in a small South Carolina town, Diana London, a werewolf, encounters Llyr Galatyn, the king of Cachamwri Sidhe, who makes all of her erotic fantasies come true. Original.

When Evie found out she was knocked up with the local werewolf alpha's baby, she thought life couldn't get more complicated. Of course, she was wrong. It turns out she's a kitsune, and along with that rare gift comes untold powers and responsibilities-most of which she'd rather do without. She's the sole guardian of a broken gate to the Underworld, and all sorts of monstrous creatures are oozing out of it-the kind that think humans are a light snack.As if that weren't bad enough, Evie has 48 hours to bring in a siren who's on the Supernatural Bounty Hunters' most wanted list and who started this whole fiasco in the first place. What could go wrong? Knowing Evie's luck, a whole hell of a lot...*18 and up recommended reading age. Sexy times and cussing are sure to be found in this series.

Hailed as “exhilarating,”* “passionate and hot,”** USA Today bestselling author Angela Knight’s supercharged romances combine heated passion with non-stop action. And she’s back with more werewolves and vampires—in a story too hot to handle... Jim London is outraged over the death of his friend, a fellow bounty hunter and werewolf—and thinks the police department of nearby Clarkston cooked up a phony story about Tony’s murder. The only way to find out is to go undercover. And, in his wolf form, Jim can do that better than anybody... There’s one complication, though. The new police-dog handler, Faith Weston, is sexy enough to bring out the animal in any man...

Werewolves, facing the threat of extinction, desperately seek their mates to bear young. Aurora, a human far removed from the supernatural world, is nearing her own end after being fatally injured in a car accident. Kai, an alpha werewolf, lurks in the nearby trees watching her bleed out. He chooses to save her the only way he knows how, by changing her. Aurora struggles with her past as a domestic abuse survivor and the new dominating and violent lifestyle of a werewolf. No one is prepared for what happens next. The tides turn in favor of the werewolves. The Matefinder has been found, and she is more powerful than anybody ever imagined. But is she prepared to be the most hunted werewolf in history?

Sloane finds herself captured, and in the presence of the evil druid Ardan. It will take all her cunning trickery and help from friends in order to break free. Now the real work begins. A war has begun and Sloane won't stop until it ends with her and Logan's happily ever after.

father Hades, Chrys wishes she could leave and see the human world. However, she knows that if any of the gods find her, and discover her dichotomous power over life and death, they will destroy her. So she has remained in the Underworld Palace for her entire life, making very few friends, and always bored as hell, no pun intended. Huntley never imagined that after he died, he would wake up with a magnificent girl standing over him, especially one claiming to be the daughter of Hades. The Greek gods are real, and the god of the Underworld apparently has a daughter. Instead of sending him to the afterlife, she keeps him around to be her "tutor", even though he obviously doesn't have any expertise in anything other than being a punk. It is clear she wants him around to be her friend, and it is a task Huntley has no problem taking. But after a big fight with her mother Persephone, Chrys can't take it anymore and has to see what the human world is all about. Her and her two best friends decide to check out London, since that seems to be her mother's favorite place recently. It would just be for a couple of days, so nothing could go wrong on the streets of London, right? Fans of Lore Olympus, Percy Jackson, and The Faerie Games will enjoy! Brielle Atwater isn't sure of much, but she knows a few things: 1. Having black wings is not normal. 2. Selling her soul to the demons was a mistake. 3. Lincoln Grey is the biggest jerk she's ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. Now, the humans are assigned one of two fates, being either demon gifted or angel blessed. After wings sprout from Brielle's back at her awakening ceremony, she's sure she's an angel blessed celestial. It's not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father's life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She's immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. Laying eyes on him, her first thought is that her time at the academy might actually be fun, but this theory quickly fades when she and Lincoln clash on day one. To further prove her admission into Fallen Academy is cursed, the entire school is thrown into chaos when an Abrus demon reveals that he knows Brielle's secret. Now, above all else, Lincoln must fight to protect her. To his surprise, the only thing more difficult than trying to save her ... is trying not to fall for her. Full length 80K word novel
