challenging task. FAMILY FINANCIAL MANAGEMENT 8e is a hands-on, engaging money-management simulation that focuses on budgeting and financial planning for three family units: Tyra Burns, a single woman living on her own; Adam Warner, a single father raising a young son, Carson; and Celina and Jared Hoffman, a young married couple. As students work through the simulation, they will learn to write checks, reconcile bank statements, plan budgets, make rent and mortgage payments, use credit and debit cards, invest for retirement, and more! FAMILY FINANCIAL MANAGEMENT 8e simulation contains all of the following tools to create a realistic experience for students:
Instructions and Forms Book contains vivid descriptions of real-life financial transactions and realistic financial

documents including bills, receipts, tax forms, tickets, coupons, and applications. Checkbook with Register has checks that the students use for check writing, bank deposit tickets, and a check register. Financial Record Book includes easy-to-use worksheet pages for recording financial transactions. File folder with tabbed dividers helps keep financial documents and forms organized. An optional Data CD with template files makes it easy to incorporate the use of commercial spreadsheet software in the financial-management process. It also contains files for 12 Special Topics readings, which are all correlated to JumpStart standards. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Comprehensive text with enough background material to refresh and reinforce earlier courses in corporate finance and enough advanced material to stimulate the most advanced learner. The predominant strengths of clarity, current coverage, and friendliness to learner and instructors continues in this new edition. Some of the areas where coverage has been expanded include corporate governance and reform, valuation, value based management, cash flow, and newly updated material on real options. The instructor's

exchange rate and interest rate risk. It puts forth up-to-date information about present financial trends and provides insights about the present global monetary system, Indian foreign exchange and interest rate markets, and so on. Keeping up with its preceding editions, the eighth edition continues to have case studies which illustrate substantive practical applications of concepts and techniques discussed in the chapters. Key Features:

- All chapters are updated with latest information about the current financial trends
- Wide coverage on global perspective along with Indian content
- Focus on outcome-based learning approach by defining learning objectives in each chapter
- Inclusion of case studies to enable practical application of the concepts learnt through the book
