The Phantom of the Opera (Piano)

Fantome De L Opera

The Phantom of the Opera (French: Le Fantôme de l'Opéra), is a novel by French writer Gaston Leroux. It was first published as a serialization in Le Gaulois from 23 September 1909, to 8 January 1910. It was published in volume form in late March 1910 by Pierre Lafitte. The novel is partly inspired by historical events at the Paris Opera during the nineteenth century and an apocryphal tale ...

Le Fantôme de l'Opéra - Lyon France

Passionnément épris de la jeune Christine, il l'enlève et l'emprisonne dans son repaire des sombres profondeurs. Raoul de Chagny, aidé d'un mystérieux Persan, se lance à la recherche de la jeune femme. Il doit alors affronter une série de pièges diaboliques conçus par le fantôme, grand maître des illusions. Le Fantôme de l'Opéra est un chef d'œuvre de la littérature qui a ...

The story of the Phantom of the Opera, a half-crazed musician hiding in the labyrinth of the famous Paris Opera House and creating a number of strange and mysterious events to further the career of a beautiful young singer, is today regarded as one of the most famous of all horror stories: widely mentioned in the same breath as Frankenstein and Dracula. Yet the fame of this novel is based almost entirely on the various film versions, while the original book has been largely ignored and is rarely

in print. An Accelerated Reader® Title

The Phantom of the Opera is the most famous work of French author Gaston Leroux. First published in French as a serial in 1909, the story revolves around the young, Swedish Christine Daaé. Her father, a famous musician, dies, and she is raised in the Paris Opera House with his dying promise of a protective angel of music to guide her. After a time at the opera house, she begins hearing a voice, who eventually teaches her how to sing beautifully. All goes well until Christine's childhood friend Raoul comes to visit his parents, who are patrons of the opera, and he sees Christine when she begins singing successfully on the stage. The voice, who is the deformed, murderous 'ghost' of the opera house named Erik, however, grows violent in his terrible jealousy, until Christine suddenly disappears. The phantom is in love, but it can only spell disaster. Part horror story, part historical romance, and part detective thriller, the timeless tale of a masked, disfigured musical genius who lives beneath the Paris Opera House is familiar to millions of readers, as well as to movie and theater-goers. At the heart of the story's long-standing popularity lies its questioning of a universal theme: the relationship between outward appearance and the beauty or darkness of the human soul. Despite finding little success in print after its 1911 publication, interest in and acclaim for Gaston Leroux's 'The Phantom of the Opera' intensified as a result of numerous film and stage adaptations, most notably Andrew Lloyd Webber's 1986 stage adaptation.

Amidst rumors that the Paris opera house is haunted, Christine Daaé, a young Swedish girl, performs at a gala and attracts attention from both her childhood sweetheart, Raoul, and the Phantom, who is living underground. Suddenly, mysterious circumstances abound at the opera house: a stagehand is found dead, managers receive letters demanding that Christine sing the lead role, and a chandelier crashes down into the audience. When Christine reunites with Raoul, the phantom grows dangerously jealous. Will Christine stay on the stage or disappear into the opera house's dark cellars and grim secrets? Gaston Leroux's Gothic novel was first published in French in 1911. This is an unabridged version of the translation by Alexander Teixeira de Mattos, published the same year.

The Secret of the Night (1913) is a novel by French writer Gaston Leroux. The Secret of the Night marked the third appearance of popular character Joseph Rouletabille, a reporter and part-time sleuth who features in several of Leroux's novels. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Often considered one of the best mystery writers of all time, Leroux's novel has been adapted countless times for film and television. Joseph Rouletabille is more than meets the eye. A reporter by profession, he spends his free time working as an amateur detective, using his journalistic talents to compile facts and track down leads. In The Mystery of the Yellow Room, he saved the life of Mathilde Stangerson, the daughter of a prominent professor, from the clutches of Ballmeyer, a violent criminal mastermind gifted in the art of disguise. In The Perfume of the Lady in Black, Rouletabille is shaken by the return of an enemy he had believed was dead. The Secret of the Night finds Leroux's hero in Russia on assignment for a French newspaper. While there, he is summoned to the palace of Tsar Nicholas II, who wishes to employ him in his capacity as a detective in order to foil a plot against his generals. The Secret of the Night is a story of revolution, murder, and suspense from one of history's finest detective novelists. Joseph Rouletabille is without a doubt France's answer to Sherlock Holmes. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's The Secret of the Night is a classic of French literature reimagined for modern readers.

Le Fantôme de l'Opéra is a multifaceted novel. It is a gothic novel, because it speaks of obscure presences, shadows, ghosts, fate and magic; it is a romantic novel, just as Gaston Leroux's indolence was romantic, leading the author to a certain gloomy and bittersweet melancholy; it is a decadent novel, because its protagonist is a real dandy, theatrical and excessively elegant, who loves to surround himself with baroque furnishings, mirrors, velvet and gold, just as Wilde or Huysmans would have liked; it is a symbolist novel, filled with countless metaphors dear to fairy-tale narrative, such as the key, the ring, the kiss, the lake, the river; it is a surrealist novel, as Jean Cocteau declared, since it tells of dreams, vast and obsessive spaces, as in Louis Carroll's Alice in Wonderland; it is a modern novel that narrates the voyage into the inner depths of ourselves, connected to the world of Psychoanalysis and to Sigmund Freud; it is a detective novel, for the language of investigation that appears in certain passages and for its myriad of mysterious crimes; it is a love story that tells of an unhappy, unrequited passion. Le Fantôme de l'Opéra is a novel that contains many novels and many styles, and that touches us deeply because it speaks of emotions and feelings. It is a popular novel that tells stories about each one of us, even if these stories seem incredible. It is an extraordinary novel that inspired many other works: novels, films, television programs, circus performances, ice-skating phantasmagoria. It inspired these from its first appearance in 1910, to this day, and will continue to inspire others in years to come.

The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in Le Galois, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, The Phantom of the Opera has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1986 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named

Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.

The stunning continuation of the timeless classic *The Phantom of the Opera*. In *The Phantom of Manhattan*, acclaimed, bestselling suspense novelist Frederick Forsyth pens a magnificent work of historical fiction, rife with the insights and sounds of turn-of-the-century New York City, while continuing the dramatic saga which began with Gaston Leroux's brilliant novel *The Phantom of the Opera*... More than two decades have passed since Antoinette Girya, the mistress of the corps de ballet at the Paris Opera, rescued a hideously disfigured boy named Erik from a carnival and brought him to live in the labyrinthine cellars of the opera house. Soon thereafter, his intense, unrequited love for a beautiful chorus girl set in motion a tragic string of events, forcing him to flee Paris forever. Now, as she lies dying in a convent, Madam Girya tells the untold story of the Phantom and his clandestine journey to New York City to start anew, where he would become a wealthy entrepreneur and build the glorious Manhattan Opera House...all so he could see his beloved, now a famous diva, once again. But the outcome of her visit would prove even more devastating than before-- and yet, would allow the Phantom to know, for the first time in his brutal life, the true meaning of love...

On September 23, 1909, the Parisian daily newspaper, *Le Gaulois*, published its first installment of Gaston Leroux's *Le Fantôme de l'Opéra* (*The Phantom of the Opera*). This type of serialized publication, in France called a "feuilleton," was common from the middle of the 19th century through the beginning of the 20th century. Many authors of the day published their novels section by section in newspapers to gain readership and to work out ideas before the publication of the first edition. Between the newspaper printing and the first edition, it was common for chapters to be added, rewritten, or removed as part of the editing process. In the feuilleton of *Le Fantôme de l'Opéra*, Gaston Leroux wrote a chapter called "L'enveloppe magique" ("The Magic Envelope"). Leroux decided to omit this chapter from his first edition, and so it only appeared in *Le Gaulois*. Since the feuilleton has never been translated, few people apart from the most dedicated Phantom enthusiasts are familiar with this lost chapter. For the first time, the text of "The Magic Envelope" has been translated into English so that fans of *The Phantom of the Opera* can read this forgotten gem. This chapter provides explanations for several enigmas that have puzzled readers since Leroux's first edition, and it offers a fascinating glimpse into the writing process of one of France's literary icons.

A tale of music, mystery and murder, Gaston Leroux's immortal story about the Erik, the Phantom of the Opera has fascinated the world for more than a century. "The magic envelope", a hitherto unknown chapter from the original serialization of the story in the newspaper *le Gaulois* is here translated into English with comments, extra background material and fan fiction by Lena Eskilsson.

Award-winning author Robin McKinley tells an enthralling story of magic, love, and redemption, based on the classic tale of *Beauty and the Beast*. Once upon a time, a wealthy merchant had three daughters. When his business failed, he moved his daughters to the countryside. The youngest daughter, Beauty, is fascinated by the thorny stems of a mysterious plant that overwhelms their neglected cottage. She tends the plant until it blossoms with the most beautiful flowers the sisters have ever seen—roses. Admiring the roses, an old woman tells Beauty, "Roses are for love." And she speaks of a sorcerers' battle many years ago that left a beast in an enchanted palace, and a curse concerning a family of three sisters . . . The Newbery Medal-winning author's charming retelling of the classic fairy tale weaves a tangled story of sorcery, loyalty, and love that is sure to cast a spell on readers.
