The doctrine is perhaps Scots law's most important private-international-law export, helping to shape the development of similar principles across the common law world.

Arzandeh, A. (2017). The origins of the Scottish forum non ...

Forum non conveniens. Latin for "inconvenient forum" this common law doctrine allows a court to dismiss a civil action (even though the forum or venue is proper and the court has jurisdiction over the case and the parties) where an appropriate and more convenient alternative forum exists in which to try the action. In English law, the appropriate forum is the one in which
