### GUIDED SLEEP MEDITATION -The Sanctuary - YouTube What is God's sanctuary? Probably too many of us think of it only as a church building. In its widest, richest sense, God's sanctuary is wherever we experience God. It is the place where our heart is. On Sunday a church building becomes a sanctuary as God's people gather and make up the building blocks of God's spiritual temple (2 Corinthians 6:16; 1 Peter 2:5).

When we are open to God's working in and through our lives, we are like a blank page on which he writes His poetry, an empty canvas on which He works his artistry, softened clay with which He molds our earthen vessel to be used by Him.

Meditation is actually a word that we don't use in Project Sanctuary, as it refers to methods designed to get the conscious mind out of the way and to experience the data stream in an unconscious way. Project Sanctuary is very different from all and any form of meditation in that it keeps the conscious mind on board and instead, holds the level of trance at what we call the crossroads - a balanced state of mind and being, where the conscious mind and the energy mind can meet, come together ...
