In celebration of a century of making classic motorcycles, the official one-hundredth anniversary volume recounts the history of the company, and presents images of its famous products.

This comprehensive history of the Harley takes a close look at the world's most famous motorcycle manufacturer, from its humble beginnings in a garden shed in 1903 to the surging popularity of today. More than 250 color and black-and-white photographs of Hogs, Shovels, Panheads, and Softails provide a visual documentary of the bike's transformation over the years, while an absorbing text by motorcycle journalist and Harley enthusiast, Tod Rafferty, follows the fortunes of this fabled marque as it approaches its centenary.

The finest single-volume history of Harley Davidson is better than ever! In recognition of the company's 100-year anniversary, this definitive work has been updated to include new models for 2000 and 2001. It features more than 300 photos, including all the landmark motorcycles and rare historical archive prints.

For Harley-Davidson aficionados, the very name Sportster conjures an image of a fire-breathing mechanical beast scorching the world's tarmac image the Sportster itself often does not live up to. Straight from the factory, in its standard form, the Sportster routinely proves an entry-level motorcycle providing a relatively tame ride. This book aims to change all that and to show every Sportster rider how to free the beast in his or her bike. With expert, detailed advice on the proper mechanical massaging and plenty of helpful diagrams and photos this updated, third edition of Buzz Buzzelli's best-selling handbook shows how the Sportster can be transformed into the superbike of old. Including a history of the Sportster from its birth in 1957 to the recent introduction of a new engine (only the third in its long life), this book has everything it takes to open up the gates of hell and give the Sportster its head.

Arranged chronologically, presents a history of every major motorcycle model produced by the legendary company since 1903

aChronicles America's sole remaining motorcycle manufacturer, and the historical framework in which it prevailed for nearly nine decades.

100 year anniversary celebration of the Harley Davidson motorcycle company.

Features 25 fully detailed rides including motorcycle laws, state resource information, local dealerships and point- to-point mileages.

Take a full-throttle tour through more than a century of Harley-Davidson history with this definitive e-guide. The Ultimate Harley-Davidson tells the story of the world's greatest motorcycle make--from its origins in a backyard shed to the international company it is today, more than 100 years later. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete e-guide for lovers of this American classic. Gloriously illustrated gallery spreads showcase more than 70 of the best-loved Harleys ever created, drawing out their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalog of every production model provides technical data and key specs for each bike. Whether you're an easy rider or born to be wild--or just mad about motorcycles--there is only one Harley-Davidson, and this is the ebook for you.
