Harvard Referencing - Quick Guide 1. What is Referencing? Referencing is a system that allows you to acknowledge the sources of information you use in your writing. If you do not reference your sources, you are plagiarising. You must provide a reference whenever you quote, paraphrase or summarise someone else's ideas, theories or data. Some of the sources you need to reference

'Harvard referencing' is an umbrella term for any referencing style that uses the author name and year of publication within the text to indicate where you have inserted a source. This author-date system appeals to both authors and readers of academic work. Scholars find the format an economical way of writing, and it is generally more accessible to the reader as there are no footnotes crowding the page.
