Over many miles and years, Rob Brooks has seen and experienced quite a bit of life. Rob's love of his family and his friends, of motorcycling and his God have afforded him opportunities to connect with a wide variety of people. These pages reflect a small portion, a window as it were, into the past 10+ years of his life. Rob is no one special, no one famous. Just a regular guy who loves life, and wants to experience as much of it as God might allow. Along the way, the observations, the wisdom gleaned from others, and the insights he has gained are worth passing on, in his estimation. We hope you will agree. May you be encouraged, challenged, amused, and inspired by the thoughts, reflections, and experiences of this "everyman." And maybe join him out on the road somewhere...

In Honda Motorcycles: The Ultimate Guide, motorcycle historian Doug Mitchel traces the evolution of the Honda empire through the road bikes that changed the world.

From the earliest D-type two-stroke Dream, to the groundbreaking four-cylinder CD750 of the late 1960s, to the modern sport bikes, Mitchel paints a year-by-year picture of Honda's fabulous history. This complete history, along with the must-have year-by-year model information and collector pricing, makes this book THE guide to own.
