The text of Hyperbole and a Half is good-it's conversational and personal, and it gets the reader engaged in the story. But the art is what sets this book apart from all others. With just a few simple lines, Brosh conveys exactly what her crudely drawn characters are feeling-panic, mischievousness, exasperation, even depression.

Collects autobiographical, illustrated essays and cartoons from the author's popular blog and related new material that humorously and candidly deals with her own idiosyncrasies and battles with depression.

Hilarious stories about life's mishaps from the creator of the immensely popular blog 'Hyperbole and a Half'. Fully illustrated with over 50% new material. Hyperbole and A Half is a blog written by a 20-something American girl called Allie Brosh. She tells fantastically funny, wise stories about the mishaps of her everyday life, with titles like 'Why Dogs Don't Understand Basic Concepts Like Moving' and 'The God of Cake'. She accompanies these with naive drawings using Paint on her PC. Brosh's website receives millions of visitors a month and hundreds of thousands of per day. Now her full-colour debut book chronicles the many "learning experiences" Brosh has endured as a result of her own character flaws. It includes stories about her rambunctious childhood; the highs and mostly lows of owning a mentally challenged dog; and a moving and darkly comic account of her struggles with depression. Poignant and uproarious - think Cyanide and Happiness but with story-lines, cake and dogs.

It's All Absolutely Fine is an honest and unapologetic account of day-to-day life as a groaning, crying, laughing sentient potato being for whom things are often absolutely not fine. Through simple, humorous drawings and a few short narratives, the book encompasses everything from mood disorders, anxiety, and issues with body image through to existential conversations with dogs and some unusually articulate birds. Building on Rubytet's huge online presence, It's All Absolutely Fine includes mostly new material, both written and illustrated, and is inspirational, empowering, and entertaining.
