Illuminating Engineering Society Ies

Forum for Illumination Research, Engineering, and Science (FIRES) The Forum for Illumination Research, Engineering, and Science (FIRES) is the IES online space for our community to openly share and discuss the latest research and innovations in illumination science and engineering. As a space for the free dissemination of knowledge and exchange of ideas, FIRES is intended to foster relationships between individuals and larger institutions, and to reignite the emphasis on science and ...

Illuminating Engineering Society – The Lighting Authority

The Illuminating Engineering Society, formerly the Illuminating Engineering Society of North America, is an industry-backed, not-for-profit, learned society that was founded in New York City on January 10, 1906. The IES's stated mission is "to improve the lighted environment by bringing together those with lighting knowledge and by translating that knowledge into actions that benefit the public." The Society is still headquartered in New York City, with offices at 120 Wall Street.

Illuminating Engineering Society - Wikipedia

The committees of the Society shall be the prescribed by the IES Bylaws, or as otherwise approved by the IES Board of Directors. The Board may from time to time create other Standing or Ad Hoc committees as it deems necessary to carry on the work of the Society and shall prescribe their powers and duties, and it may abolish any such committees.
