you should know: many of the quiet, comfortable, “natural born” speakers that you hear conversing or presenting were actually terrified people who have found their way to success through appropriate training and practice. Perhaps you can be one of those people. In the first edition of *It's the Way You Say It*, I told the sto-

An Excerpt From

As you communicate with people, they come to know you both as an individual and as a professional. The only way that people can sense your intelligence and professionalism is through the effectiveness of your communication: what they hear you say, the attitude that they perceive, and the very sound of your voice.

Steps - It's The Way You Make Me Feel Lyrics | MetroLyrics

The title conveys one of its main insights: if you negate a frame,
you strengthen a frame. In other words, if you say “don’t think of
an elephant,” you can’t help but think of one.
