Jane's All the World's Aircraft is an aviation annual publication founded by John Frederick Thomas Jane in 1909. Long issued by Sampson Low, Marston in Britain (with various publishers in the U.S.), it has been published by Jane's Information Group since 1989/90.. The first volume's title referred to "airships" while all since have referenced "aircraft".

Jane's All the World's Aircraft - Wikipedia

Janes brings together disparate security data – equipment, organisations and events – from multiple sources to deliver structured, connected, actionable open-source intelligence that supports granular threat, capability and market assessments. To learn more about how Janes can help you and your organisation visit www.janes.com.
