Layout Plans. Layouts including a continuous run are filed under the first category, with modular plans listed in the second section. End-to-end designs not requiring a fiddle yard are including in the third group, and user submissions are in section four. Many of the designs have first radius curves that will not be suitable for all types of rolling stock, but these designs can be developed into larger plans provided that you have space to accommodate higher radius curves and pointwork.

Collects layouts inspired by actual railroads around the United States, or that were winners of a layout contest

There's a nostalgia associated with model trains and railroading -- even if it's unspoken. Railroads take us back to an earlier era. A more basic time. When spending a week or more on a train was seen as a luxury -- an event in itself -- not at as merely a mode of transportation. You've probably already scouted some model railroad shows. You've no doubt recognized the camaraderie and the passion these folks have. And yes, you're interested in becoming a part of that. "The Wonderful World of Model Trains" will help you do just that! It's a comprehensive guide to model railroading written for someone who is new to this hobby, starting with some basic "train knowledge" & terminologies, and continuing on to the more detailed aspects of the hobby. And yes, this hobby can indeed get quite detailed. And that tends to be intimidating to some people. The beauty of this hobby is that you can get involved at just the level you care too. You'll discover that every model railroader is in it for the love of the trains and the history. The vast majority of us are not out to make a fast buck from our interests. Here's some of the things you'll learn in "The Wonderful World of Model Trains": - How to create stunning terrain in your scenery with these 3 simple techniques... - Different scales, gauges, standards in the world of model railroading and what they all mean... - 2 simple keys (that are right in front of your eyes) to build your own benchwork... - **WARNING:** 3 things you should never do when it
