The men in Texas are hard to resist . . . Seattle event planner Allison Lane is an expert at delivering the perfect wedding—even if she might not exactly believe in the whole “til death do us part” thing. When her father decides to tie the knot with a woman he barely knows, Allison heads to Sweet, Texas, to make sure his new honey is the real deal. What she didn't expect to find at the local honky-tonk was a sexy Southern man as bent on charming her pants off as he is on blowing her “true love doesn't exist” theory all to hell. And they always promise . . . Veterinarian, former Marine, and Sweet's favorite playboy Jesse Wilder takes one look at Allison and knows she's a handful of trouble he can't deny. But even after a sizzling kiss and obvious mutual attraction, it seems Allison has no such problem. When Jesse uncovers her sweet side, can he crush his playboy image, melt her cynical heart, and change her mind about taking a trip down the aisle? Something sweeter

Tarcher's updated edition of an international, perennial bestseller—with more than 250,000 copies sold worldwide. As a young veterinarian and decathlon athlete, Dr. Ian Gawler had his right leg amputated as a result of bone cancer in 1975. The cancer returned later that year. Against almost impossible odds, he recovered and went on to found one of the world's first lifestyle-based cancer self-help and support programs in 1981. Originally published in 1984, You Can Conquer Cancer is a revolutionary book that has sold hundreds of thousands of copies worldwide and has been translated into fourteen languages. This edition is completely updated and contains whole sections that provide important new information and self-help techniques. Notable for its clarity, this book expands upon what is a truly integrated, holistic approach to cancer—emphasizing nutrition, the power of the mind, meditation, family and social support, and the spiritual dimension of life.
