"The stars belong in the deep night sky, and the moon belongs there too, and the winds belong in each place they blow by, and I belong here with you. So begins this classic bedtime book, richly illustrated by award-winning artist Isabelle Arsenault. The pages journey around the world, observing plants and animals everywhere, and reminding children that they are right where they belong. A beautiful title for new babies, adoptive families, and children of all ages. -----
You are a dream that the world once dreamt, And now you are part of its song. That's why you are here, in the place where you're meant, For this is right where you belong."

Spirals are a recurring motif in the work of Louise Bourgeois, including her sculpture, painting, and drawings from as early as the 50s through 2010 the year of her death. It has two directions. Where do you place yourself, at the periphery or at the vortex? The spiral is simultaneously "the fear of losing control" and the experience of "giving up control; of trust, positive energy, of life itself." In another book Bourgeois is quoted as saying "The spiral is important to me. It is a twist. As a child, after washing tapestries in the river, I would turn and twist and wring them... Later I would dream of my father's mistress. I would do it in my dreams by wringing her neck. The spiral -- I love the spiral -- represents control and freedom." In materials as diverse as wood, steel, bronze, latex, marble, plaster, resin, hemp, lead, ink, pencil, crayon, woodcut, watercolor, and gouache, Bourgeois investigates every imaginable manifestation of the spiral, from graphic patterns to graphite whorls, wobbly orbits to chiseled vortices, twisted columns to coiling snakes, staircases, and pyramids. The cursive blue-paper word drawings, in English and French, complement the purely visual works by conveying the spirit of Bourgeois' poetry in extraordinary pictorial forms.

In his first long-form fiction since *Beautiful You* in 2014, the author of *Fight Club* and *Choke* delivers another biting social satire in this riches-to-rags novella! This hardcover edition features beautiful colorable illustrations by Steve Morris (*Buffy the Vampire Slayer*), who worked on Palahnuik's *Bait: Off-Color Stories for You to Color*, and Mike Norton (*Revival*, *Battlepug*), with a cover by another *Bait* collaborator, Duncan Fegredo (*Hellboy*). *Legacy* is sure to engage readers with its boundary pushing story-telling while challenging their creative side through its visionary and twisted colorable imagery. An amoral investment banker named Vincent receives an inheritance promising immortality. Unfortunately for Vincent to obtain imortality he has to contend with a flame-retardant stripper, a ruthless stalker, and a bloodthirsty horde of other aspiring immortals dead set in their desire to separate Vincent from his destiny. Praise for *Bait: Off-Color Stories for You to Color*: "The conceit is a blast. Ingenious...Palahniuk likes to involve his readers, and maybe even have them be co-conspirators. I loved this book. It's smart in a new way that deserves to be recognized. Congratulations once again to Palahniuk for showing us a new way to do things...and to make us involved."--FORCES OF GEEK "Chuck Palahniuk is pushing boundaries again."--COMICBOOK.COM
