Ethical decision-making is an inherent aspect of professional practice.

Unfortunately, in today's professional climate, ethics is often viewed only in the minimalistic light of what professionals "have to do" or the legalistic sense of what professionals "cannot do." This is not necessarily a surprise, given recent ethical ...

This text provides a unique collection of case studies across a wide range of organizations (higher education, K-12 education, military, state and local government administration, non-profit institutions, and agency management, etc.). These cases examine ethical decision-making and organizational and leadership behavioral concepts that are practiced in these organizations. The cases cover topics facing our workforce today and ask the reader to solve the dilemma. Through a discussion of these cases, students apply decision making and organizational and leadership strategies to analyze each case and therefore gain a better understanding of how to effectively lead and manage within their organizations. This text challenges students to think critically and analytically. Students are

Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking.

The goal of this book is to help the reader gain knowledge on ethical and legal issues in the field of student affairs and develop competency to follow the profession's principles and standards of conduct. The significance of the book is due to its focus on the practical value of ethics and legal issues and its aim to address the knowledge, skills, and dispositions required of student affairs educators to develop and maintain integrity in their life and work as described by the ACPA/NASPA. The text offers readers a number of major unique features: It offers multiple ethical decision-making models to guide student affairs educators in their ethical decision-

## Get Free Making Ethical Decisions S F Johnson

making process. It proposes that ethics is not an individual but an organizational responsibility. It offers that ethical decision making is a professional skill that can be practiced and applied in student affairs educators' day-to-day practice. It presents the reader with the most current legal issues in student affairs and higher education. Finally, it reflects three themes: integration of ACPA/NASPA competency areas; development of professional identity; and application of knowledge and theory to practice. The book is critical and timely. A book that focuses on ethical and legal issues in student affairs is needed for faculty in preparation programs, new professionals navigating their identity as student affairs educators, and a resource for mid- and senior-level

# Get Free Making Ethical Decisions S F Johnson

professionals facilitating ongoing professional development. The book begins to address what it means to have a professional identity, which is ground in the shared ethical and legal values espoused within the profession and academia. Each chapter uniquely contributes to the complexity embedded in the study of ethics and how that is applied to practice. Additionally, the volume is a balance of procedural knowledge, case illustrations, and guided practice exercises to facilitate the reader's ability to translate the theory and research discussed into professional decision making and application.

Now in its fifth edition, *Student Services: A Handbook for the Profession* has been hailed as a classic reference in the field. In this

# Get Free Making Ethical Decisions S F Johnson

important resource, a new cast of student affairs scholars and practitioners examine the changing context of the student experience in higher education, the evolution of the role of student affairs professionals, and the philosophies, ethics, and theories that guide the practice of student affairs work. The fifth edition covers a broad range of relevant topics including historical roots and development of the profession, philosophies and ethical standards, legal issues, theoretical bases of the profession, organizing and managing student affairs programs, and essential competencies: leadership, multiculturalism, supervision, teaching, counseling and helping skills, advising and consultation, conflict resolution, community development, professionalism, and developing
