A contemporary of Shakespeare and Monteverdi, and a colleague of Galileo and Artemisia Gentileschi at the Medici court, Francesca Caccini was a dominant musical figure there for thirty years. Dazzling listeners with the transformative power of her performances and the sparkling wit of the music she composed for more than a dozen court theatricals, Caccini is best remembered today as the first woman to have composed opera. Francesca Caccini at the Medici Court reveals for the first time how this multitalented composer established a fully professional musical career at a time when virtually no other women were able to achieve comparable success. Suzanne G. Cusick argues that Caccini 's career depended on the usefulness of her talents to the political agenda of Grand Duchess Christine de Lorraine, Tuscany 's de facto regent from 1606 to 1636. Drawing on Classical and feminist theory, Cusick shows how the music Caccini made for the Medici court sustained the culture that enabled Christine 's power, thereby also supporting the sexual and political aims of its women. In bringing Caccini 's surprising story so vividly to life, Cusick ultimately illuminates how music making functioned in early modern Italy as a significant medium for the circulation of power.

“ UN AVVINCENTE ROMANZO GIALLO AMBIENTATO NELLA CRUDA REALTÀ DEL CRACK DELLE BANCHE VENETE ” Un fatto di sangue scuote la tranquillità di una filiale di banca. Un solerte ispettore della Polizia di Stato e un direttore in perenne crisi di coscienza, cercano di individuare il colpevole tra la moltitudine di personaggi che incrociano la vita lavorativa e privata della vittima. In campo lungo, la vita del capoluogo della Marca. In primo piano, un tambureggiare di relazioni umane e professionali tra protagonisti verosimili e attuali. In mezzo, un mondo bancario raccontato alzando un lembo del tappeto sotto il quale vengono nascoste meschinità, ingiustizie, verità scomode e contraddizioni. L ' autore, alla sua seconda esperienza, ci consegna un avvincente romanzo giallo e una vivida testimonianza delle banche venete il cui crollo ha colpito migliaia di ignari e incolpevoli risparmiatori.
