Why is the tulsi considered sacred? What is the significance of namaste? Why do Hindus light a lamp before performing a ritual? Why is it forbidden to sleep facing the south? Why do Hindus chant 'shanti' three times after performing a rite? Millions of Hindus the world over grow up observing rites, rituals and religious practices that lie at the heart of Hinduism, but which they don't know the significance of. Often the age-old customs, whose relevance is lost to modern times, are dismissed as meaningless superstitions. The truth, however, is that these practices reveal the philosophical and scientific approach to life that has characterized Hindu thought since ancient times; it is important to revive their original

Violent crime in New York City had grown too much for the state's criminal justice system to follow through with death penalties bogged down by the appeals process. Often, prisoners convicted of first-degree murder were given cushy jobs while waiting for their cases to be heard. Lower-court judges were especially frustrated when they noted that several repeated offenders were "back on the street." And it was primarily out of frustration that a secret organization was formed. The Concerned Citizens Group (CCG) was composed of twelve New Yorkers whose prime purpose was to decrease the percentage of

violent crimes. And the method that the CCG chose caused it to be targeted by the NYPD, the FBI, and the mafia. Over just eighteen months, the organization publicly announced—and carried out—the execution of prisoners convicted of murder in the first degree. However, when a crime boss was also executed, a \$2.5 million reward was offered for the identity of CCG members. Does the reward work, or does it solidify the membership even more?

Wishing to escape the urban rat race, freelance writer and editor Stephanie Marohn moved to rural northern California in 1993. Life was sweet. She was a busy freelancer. And then, more farm animals started to appear: a miniature white horse, a donkey, sheep, chickens, followed by deer and other wildlife. Each one needed sanctuary either from abuse, physical injury, or neglect. Marohn took each animal in and gradually turned her 10-acre spread into an animal sanctuary. A deeply inspiring collection, What the
