In this path-breaking
new book, best-selling
author and leading go-
to-market strategist

Larry Friedman

provides a practical and
battle-tested approach
for taking products,
services, divisions, or
even an entire company
to market! Drawing on
dozens of examples and
best-practices across a

Online Library Marketing

variety of industries, 'Go To Market Strategy' lays out a clear and actionable blueprint for building a winning go-to-market plan - one that will enable you to do more business, with more customers, more often, and more profitably. In this book you'll find all of the techniques and tools you need to answer today's

Online Library Marketing

crucial go-to-market questions:

- Which markets offer the best opportunities for profitable growth?
- What do my target customers need? How can I do a lot more business with them?
- What mix of channels and partners will help me reach and sell to the most customers at the lowest possible cost?

Online Library Marketing

Do I have the right
product or solution?

How can I create
broader customer
interest in my offerings?

- Do I have a winning value proposition? What would make the 'message' more compelling - and drive more purchasing activity? 'Go To Market Strategy' is not about incremental change. As

Online Library Marketing

Friedman points out, it is for executives seeking nothing less than double-digit revenue growth and the slashing of at least 10-15 percent of selling costs - absolutely realistic results that go-to-market innovators have consistently achieved. This book lays out all of the techniques used by the world's top go-to-market leaders, so

Online Library Marketing

you too can achieve those kinds of results, and gain a real go-to-market competitive advantage in your markets.

Pharmaceutical sales is one of the most sought-after careers in America. Competition for these coveted jobs is fierce and performing well during the interview is

Online Library Marketing

key. With advice from two pharmaceutical industry experts, this book outlines exactly what to expect during the interview and gives specific answers that will help land the job.

Suddenly, no question is too tough and the reader will have an unfair advantage over the competition.
