Word's rulers let you control the margins of your page and the indentation of paragraphs. They're great for precisely lining up images, text, and other elements. If you're printing a document, the rulers can help ensure that what you see on your screen translates into what you'll get on the printed page.

## **How to Use Rulers in Microsoft Word**

Choose Insert > Field; From the Categories dropdown list choose Document Automation ; From the Field Names list choose MacroButton and click the Field Codes button in the
