A Q&A with Suzanne Collins, Author of Mockingjay (The Final Book of The Hunger Games) Q: You have said from the start that The Hunger Games story was intended as a trilogy. Did it actually end the way you planned it from the beginning? A: Very much so. While I didn't know every detail, of course, the arc of the story from gladiator game, to revolution, to war, to the eventual outcome remained constant throughout the writing process.
