“Beautifully strange... An opera star with a penchant for dramatic sorrow shows up at a doctor’s office, looking for her husband’s heart. Someone got it when he died—which means that somewhere, inside another person’s rib cage, a piece of her husband lives on... Thus begins a tantalizing correspondence in Nilo Cruz’s *Exquisite Agony*, a play about the human heart: its fumblings and yearnings, its bruises and scars, its generosity and viciousness.”
—Laura Collins-Hughes, *New York Times* “*Exquisite Agony* is about a woman who finds life in death, in an atmosphere where poetic

insights are the norm and women are the center. Cruz's feminist view is one of the liberating aspects of his writing, as is a kind of magical realism that is not cloying but true to his characters, and to the fact of dispossession: sometimes we don't know who we are because we don't know where life has landed on our bodies, let alone in our hearts." -Hilton Als, New Yorker "Exquisite Agony is explosive... As in several of Cruz's previous works, drama ignites from the friction between the banal and the magical." -Zachary Stewart, TheaterMania "Exquisite Agony entertains and

enraptures... There's rueful humor, Chekhovian reveries, and a sense of the mystical... Ravishing on all levels."

—Darryl Reilly,

Backstage "These plays have been developed and vetted for artistic excellence; they just happen to possess the added bonus of representing a voice that's currently being underproduced. It's part of a larger movement to say: There's an embarrassment of riches here."— Sheila Callaghan for the Kilroys

Not your typical book of monologues, this new collection embodies the mission of the Kilroys, an advocacy group founded in 2013 to raise awareness for the underutilized work of female and trans* playwrights. The collection is comprised of ninety-nine

monologues, each from a different play off "The List" from 2014 and 2015, featuring the most unproduced (or under-produced), yet highest-recommended, plays by women in the United States. The monologues selected for this volume serve to highlight the talents of these writers in a wide array of pieces that vary in genre, style, and gender. As it says on their website, the Kilroys "Make Trouble and Plays." The Kilroys are a gang of playwrights and producers in Los Angeles, California, who advocate for the visibility of women playwrights in theatre. Founded in 2013,

“Until the Flood is an urgent moral inquest.”

—Jesse Green, New York Times

In the gripping and revelatory *Until the Flood*, Dael Orlandersmith journeys into the heart and soul of modern-day

America—confronting the powerful forces of history, race, and politics. Drawn from interviews following the shooting of a black teenager, Michael Brown, by a white police officer, Darren Wilson, Orlandersmith embodies the many faces of a community rallying for justice and a country still yearning for change.
