citizenship - cited by the BBC, Bloomberg, Elite Daily and more - Andrew has condensed his last ten years of investigative world travel into an unprecedented book to help entrepreneurs and investors keep more of their own money, live where they want, become citizens of the world, and improve their lives and the planet. Direct. Honest. Experienced. Unapologetic. Practical. Transparent. Even funny. The Nomad Capitalist will show you how to take his "E-K-G" formula to: ENHANCE your personal lifestyle, KEEP more of your money, and GROW your money by living, investing, banking, and doing business overseas. From foreign companies to offshore accounts and from overseas investments to dual citizenship, you'll find everything you need to know to begin a life of international proportions, storing gold in super-secret vaults, finding love in exotic locations, and improving everything from your health to your tax bill by simply "going where you're treated best." It is no longer enough to be a digital nomad. Those who want complete freedom from the world's broken systems must become Nomad Capitalists, learning to navigate the world system to reclaim their freedom and rediscover the possibilities of capitalism's greatest promises. Get the book to see how.

"Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. The Book of Unknown Americans is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a New York Times and Washington Post Notable Book, an NPR Great Read, The Daily Beast's Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year

The definitive guide for anyone dreaming of living in paradise when they retire. Whether motivated by a desire for adventure, or the need to make the most of a diminished nest egg, more and more Americans are considering an overseas retirement. Drawing on her more than three decades of experience helping people relocate happily and successfully, Kathleen Peddicord shows how living in an unconventional retirement destination can cost less than a traditional home in Florida or Arizona. Peddicord addresses all of the essential issues, including:

- Finding a home to own or rent
- Researching and understanding your tax liability
- Obtaining health insurance and medical care
- Avoiding common mistakes and pitfalls
- Opening a bank account

Whether readers are interested in relatively unknown havens like Nicaragua, well-traveled areas in Italy, or need some help deciding, How to Retire Overseas is the ultimate guide to making retirement dreams come true.
