Latest US news, world news, sports, business, opinion, analysis and reviews from the Guardian, the world's leading liberal voice

Combining clear advice on the writing process and countless model documents from real workplace settings, Writing That Works sets the standard for professional writing books today. More than ever, this eleventh edition reflects the role of technology in the office and the classroom, addressing the most current types of business documents online and in print, providing informative guidelines on selecting the appropriate medium for your document, communication, or presentation, and offering new advice on landing and keeping a job in today's economy. An integrated student site works with the text to offer additional resources and models reflecting the authors' trademark clarity.

This business-oriented writing introduction covers the basic elements of composition, writing strategies, business correspondence, formal and informal reports, research, visual aids, proposals, oral presentations, resumes, word processing, the Internet, spelling and vocabulary, grammar, and ESL. Annotation copyrighted by Book News, Inc., Portland, OR

Offers a wealth of literary selections as material for students to read and write about. The authors furnish both responsive and critical writing topics in each chapter.

Rereading America has remained the most widely adopted book of its kind because of its unique approach to the issue of cultural diversity. Unlike other multicultural composition readers that settle for representing the plurality of American voices and cultures, Rereading America encourages students to grapple with the real differences in perspectives that arise in our complex society. With extensive editorial apparatus that puts readings from the mainstream into conversation with readings from the margins, Rereading America provokes students to explore the foundations and contradictions of our dominant cultural myths.

Covers grammar, usage, style, and the writing process for letters, memorandums, proposals, reports, meetings, and job descriptions

\*Communication Works presents communication principles, interpersonal communication, and public speaking in an engaging and highly interactive manner. Its use of questions in the narrative, margins, boxes, and captions supports instructors who prefer to lead a discussion-oriented course. Recognizing the challenges that our world presents for communication students of the 21st century, the new edition includes enhanced coverage of ethical, cultural, and technological issues while maintaining its focus on skill-building. Communication Works is a fully integrated, multimedia teaching and learning system." - product description.

New to this edition: Up-to-date information on on-line research and computer resources. A unique four-way access system enables users of the Handbook of Technical Writing to find what they need quickly and get on with the job of writing: 1. The hundreds of entries in the body of the Handbook are alphabetically arranged, so you can flip right to the topic at hand. Words and phrases in bold type provide cross-references to related entries. 2. The topical key groups alphabetical entries and page numbers under broader topic categories. This topical table of contents allows you to check broader subject areas for the specific topic you need. 3. The checklist of the writing process summarizes the opening essay on "Five Steps to Successful Writing" in checklist form with page references to related topics, making it easy to use the Handbook as a writing text. 4. The comprehensive index provides an exhaustive listing of related and commonly confused topics, so you can easily locate information even when you don't know the exact term you're looking for.
