Aminata Analysis By Francis Imbuga

Francis Davis Imbuga (February 02, 1947 – November 18, 2012) was a Kenyan writer, playwright, literature scholar, teacher and professor at Kenyatta University. His works, including Aminata [1] and Betrayal in the City , [2] have become staples in the study of literature schools in Kenya. [3]

Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

Abducted from her West African village at the age of eleven and sold as a slave in the American South, Aminata Diallo thinks only of freedom - and of finding her way home again.After escaping the plantation, torn from her husband and child, she passes through Manhattan in the chaos of the Revolutionary War, is shipped to Nova Scotia, and then joins a group of freed slaves on a harrowing return odyssey to Africa. Lawrence Hill's epic novel, winner of the Commonwealth Writers' Prize, spans three continents and six decades to bring to life a dark and shameful chapter in our history through the story of one brave and resourceful woman.
