In the second volume of the history of Dalhousie University, P.B. Waite traces Dalhousie's development from a small privately funded college of about 700 students and four faculties to a large Canadian university of 9,000 students that includes many of the leading professional schools in Atlantic Canada. In an engaging, often elegant style, this first volume of a two-volume narrative history of Dalhousie University chronicles the years from the founding of the university in 1818 by the ninth Earl of Dalhousie to the movement for university federation in 1921-25.

This book contains 10 exam practice papers and it is aimed at May/June 2021 IGCSE Mathematics examination for higher level. These papers are written according to the new 9 to 1 syllabus mainly for Edexcel, however they can still be used as practice for other exam boards as well. Each section contains 2 exam papers labelled as paper 1 & paper 2 similar to the actual exam.

This biography illuminates the life of Ennio De Giorgi, a mathematical genius in parallel with John Nash, the Nobel Prize Winner and protagonist of *A Beautiful Mind*. Beginning with his childhood and early years of research, into his solution of the 19th problem of Hilbert and his

professorship, this book pushes beyond De Giorgi's rich contributions to the mathematics community, to present his work in human rights, including involvement in the fight for Leonid Plyushch's freedom and the defense of dissident Uruguayan mathematician José Luis Massera. Considered by many to be the greatest Italian analyst of the twentieth century, De Giorgi is described in this volume in full through documents and direct interviews with friends, family, colleagues, and former students.

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.
