This book is intended as a Quick Reference Guide. It is part of a series of books, with each volume covering one of the 50 US states. Each book presents the text of the state's constitution in a straightforward and easy to read format. For citizens, students, legislators, judges, or merely the curious. This edition has been revised and updated with a clear and easy to read table of contents. The updated format facilitates quick reference to every section and article. Finally, this book series is completed by a separate set of additional volumes, which serves as an appendix. These appendix volumes contain just a listing of article titles of each individual state, broken down by geographic region.

Chapters 1-168 and the corresponding pamphlet numbers. The Statutes on the North Carolina General Assembly reference guide reflect changes made in the 2014 session of the North Carolina General Assembly. Use this guide as a tool to track North Carolina General Statutes and Session Laws affected by ratified bills, and communicate with your State House and Senate representatives.

Snakes of North Carolina, South Carolina & Georgia: This fact-filled identification guide is an excellent resource for all outdoor and nature enthusiasts. It describes all 44 species of snakes found in this region of the eastern United States, including 6 venomous snakes. The guide also features color photos that make it ideal for field use. Common and scientific names, average adult length, habitat, diet, and behavior are described. Tips on field identification and safety instructions are also presented. The 12 panels of this laminated and waterproof guide fold up into a handy pocket-size, making it sturdy enough to withstand repeated use in the field.

The seventh edition updates the sixth edition with new offenses, legislative changes, and case law. New features of this edition include full case citations and case names replacing shortened case citations; a table of cases; and many new additional notes, such as those regarding charging issues, multiple convictions and punishments, defenses, and exceptions. Also, an improved book design will make this edition easier to use and ensure that readers quickly find what they need. The seventh edition replaces the sixth edition, 2007, and all previous editions and supplements. The 2016 Cumulative Supplement to North Carolina Crimes is availbale for purchase (https://www.sog.unc.edu/publications/books/2016-cumulative-supplement-north-carolina-crimes-guidebook-elements-crime-subscription-nc-crimes). Your subscription includes future enhancements and updates to the product through March 1, 2018. Features of the online version include -Keyword searching -Linking to cross-references -Printable pages throughout the site -Accessibility anywhere your electronic device can connect to the Internet Collapsible and expandable statutes. See the North Carolina Crimes webpage for more information about this title (https://www.sog.unc.edu/resources/microsites/north-carolina-crimes-guidebook-elements-crime).

Fishes of North Carolina, South Carolina and Georgia: A Guide to Inshore and Offshore Species is for anglers and nature enthusiasts alike. Featured are 65 common saltwater species of fish occurring in the beautiful coastal and offshore waters of the US South Atlantic Bight region. The illustrations are arranged so that comparison of similar species is easy. The accompanying text accurately indicates size, distinguishing features and habitat. This 12-panel, laminated, waterproof guide is sturdy enough to stand up under repeated use and folds to an easy-to-carry pocket-sizea handy complement to any boat or tackle box.

The rich history of North Carolina's Outer Banks is reflected in the names of its towns, geographic features, and waterways. A book over twenty years in the making, The Outer Banks Gazetteer is a comprehensive reference guide to the region's place names-over 3,000 entries in all. Along the way, Roger L. Payne has cataloged an incredible history of beaches, inlets, towns and communities, islands, rivers, and even sand dunes. There are also many entries for locations that no longer exist-inlets that have disappeared due to erosion or storms, abandoned towns, and Native American villages-which highlight important and nearly forgotten places in North Carolina's history. Going beyond simply recounting the facts behind the names, Payne offers information-packed and entertainingly written stories of North Carolina, its coastal geography, and its people. Perfect for anyone interested in the North Carolina coast, this invaluable reference guide uncovers the history of one of the most-visited areas in the Southeast.

With Explorer's Guides, expert authors and helpful icons make it easy to locate places of extra value, family-friendly activities, and excellent restaurants and lodgings. Regional and city maps help you get around and What's Where provides a quick reference on everything from tourist attractions to off-the-beaten-track sites. From America's most popular national parks to the sands of the Outer Banks to the cool peaks of the tallest mountains in the East, writer/photographer Jim Hargan covers everything worth seeing and doing in his home state. Explore wilderness areas on bicycle or by kayak, visit sleepy hamlets or lively downtowns, enjoy fine dining or country cooking on your quest for the authentic Tarheel experience.
