The first thing to remember is that when you're writing an investigation report, you're trying to persuade someone to do something. Just like an advertisement or a direct-mail shot, you want the reader to get to the end of your report and take action. In this case, the action is: to put your recommendations into practice.

*How to Write the Investigation Report - Kelvin TOP-SET*

The investigation report is also a record of the steps of the investigation. It can be used to prove that your investigation was timely, complete and fair. The information contained in the investigation report may be cited in any legal action, so it's important that the report is detailed and accurate, but does not include unnecessary detail that can get the company into trouble.
