Incorporating role-play into the classroom adds variety, a change of pace and opportunities for a lot of language production and also a lot of fun! It can be an integral part of the class and not a 'one-off' event. If the teacher believes that the activity will work and the necessary support is provided, it can be very successful.

Roleplaying is where you pretend to be another character in a make-believe setting. There are three main types of roleplay: text-based, live-action, and tabletop. Text-based roleplaying takes place online and focuses on writing.

3 Ways to Roleplay - wikiHow

Sexual roleplay is roleplay that has a strong erotic element. It may involve two or more people who act out roles in order to bring to life a sexual fantasy and may be a form of foreplay and be sexually arousing. Many people regard sexual roleplay as a means of overcoming sexual inhibitions.

Sexual roleplay - Wikipedia

RPG is a community of writers building shared universes, assembling compelling narratives, and telling incredible stories. We've been working on these virtual worlds for the better part of 20 years, and are excited to begin sharing what we've created — plots to unfold, quests to complete, and so much more.

RPG • storytelling & worldbuilding

To roleplay is as much about what not to say as what TO say. It means to keep your speech in the context of the setting in which your character (or avatar) exists. Context can be defined as both time and place. Most roleplaying that occurs is in an online setting, such as an online game, a chat room, or a message board.
