forty. For two decades, thirty-nine-year-old Eden Clyde has been enjoying wealth and glamour as the muse and lover of Otto Clyde, the ultrafamous and much older king of the art world.

Genetically, she

hit the lottery,
but Eden is
unlucky in love:
eighteen years
ago she put
aside her dream
of true love and
marriage and
turned a blind
eye to Otto's
philandering in
exchange for a
life without
want. In her

younger days
this seemed like
a fair bargain,
but as forty
looms overhead-
and as the
beauty for which
she's known
begins to fade-
she feels the
cost of the
arrangement
finally taking
its toll on her

happiness. Eden
leaves their
cozy downtown
loft for New
York's frostier
upper east Side,
where she begins
to search for
the girl and the
life she left so
many years ago.
With the
encouragement of
a raucous but

lovable group of
girlfriends,
Eden soon finds
herself
embroiled in a
heated love
affair with
Gotham's most
eligible
bachelor: the
much younger
Chase Lydon. But
just as their
relationship is

getting serious,
an old flame
resurfaces. Does
Eden want the
life she's
living-and
loving-right
now, or the love
she left behind?
On the brink of
her fortieth
birthday, it's
time for Eden to

heart, but this
time not even
Eden is sure
where that will
lead. Poignant
and laugh-out-
loud funny, and
written with
heart and humor,
Arm Candy shows
that although
forty may
sometimes feel
like the

ultimate F word,
its never too
late to find
true love.
