Life-Script: Not unlike the kind of scripts actors are familiar with, they too have a beginning, a middle and an end. Life-scripts (more-often referred to as scripts in Transactional Analysis (TA)) have characters that play significant roles such as the heroes and villains, all which make the story exciting, tragic or perhaps even futile.

Life Scripts - UK Association for Transactional Analysis

Script analysis can play a major part in TA psychotherapy. Understanding and changing our life scripts can lead to positive and lasting change in all areas of our life. Life script can also be a useful concept in the other fields of TA since our script affects our frame of reference, the attitude we bring to situations and tasks.

Life Scripts - UK Association for Transactional Analysis

The aim of transactional analysis psychotherapy is to change an unhealthy life script. This is based on the supposition that because we made the deciaion in the first place, we have the power to change it. Once our script is brought into our awareness, there is hope that we will be able to do things differently.
