Training was excellent.  
Learned a lot of new topics  
in testing, Selenium and  
SOAP UI. Since I knew Java  
and SQL before, the training  
pace was good and I was able  
to keep up with learning new  
topics. I also liked working  
with Venkatesh during  
training and Reena after  
training (mainly in  
interview preparations).  
They were very helpful.
