??????UPDATED FOR 2021 ADDRESSING CUSTOMER FEEDBACK?????? Hi, I'm Max Matthews, and training dogs, specifically Service Dogs, is my life and passion. I have been experienced in training Service Dogs for over 30 years, and I put all of my knowledge and experience into this book. This book represents the lifetime of knowledge that I have acquired from training service dogs. I am retiring from my career as a Service Dog Trainer to focus on creating books and other digital content to help consolidate my lifetime of Service Dog knowledge and insights into formats that can reach more people. I am going to be creating a Service Dog

training video course and additional online internet courses. In the meantime, please enjoy my Kindle version and paper book version as well. I hope you enjoy! Often times, the people that need help the most are unable to afford the training needed to go into a Service Dog. Sadly, there are many factors that a lot of people may be unaware of when attempting to train their own. This book is here to guide you down this journey. The benefits of training your own dog are priceless if you sufficiently follow the rules and steps outlined in this book. By following the guidance in this book, you are accepting an unbreakable bond you will create between you and your service dog - a bond that will mitigate your disability and award you with daily independence. Inside this book, you will learn everything you need to know about the laws that

allow you to own and utilize your service dog. You will be well versed in how to properly assess and select a Service Dog, what type of Service Dog is best for you, and the ins and outs of why the selection process is so strict. You will also learn how to capture and keep your dog's attention even under high distraction and build that unbreakable bond. And most importantly, this book will help you build your dog's obedience - the very foundation that will make your dog the best Service Dog ever. This book will not leave you hanging when it is time to bring your well-mannered companion out to the town to apply everything you've learned and prepared for the access test. Finally, and arguably the most exciting part, teaching your dog the tasks that will gain you that independence! No matter your disability, there is something for everyone in here.

rehabilitation and advanced training. The information presented here is the culmination of years of experience working with hundreds of families for various issues. This method is also the foundation of our Service Dog training programs for a wide range of disabilities, including PTSD, epilepsy, diabetes, mobility needs, autism and others. Understanding how to regulate behavior and attitudes in a dog is a fundamental part of a healthy relationship, whether adopting a new pet, training a Service Dog or working to resolve a severe behavioral issue that has been with a family for years. Shaping behavior is about understanding that dogs have needs that have to be filled for them to give stable behavior back. Once their needs are addressed, excitement, stress and anxiety can be resolved to provide access to new
