THE definitive book for food safety training and certification With its comprehensive coverage of key food safety concepts, the ServSafe Coursebook 7th edition will completely prepare readers for the ServSafe Food Protection Manager Certification Exam, and, more importantly, it will promote adherence to food safety practices in the workplace. It is the ideal solution for the academic setting, multiple-day training, or individuals in need of more extensive food safety training. Food safety has never been more important to the restaurant industry and its customers. Based on the 2013 FDA Food Code, the ServSafe Coursebook focuses on the preventative measures to keep food safe. The content in the ServSafe Coursebook goes beyond the principles found in the ServSafe Manager Book and adds greater depth and breadth of food safety practices by featuring expanded sections on food defense, high-risk populations, active managerial control, and crisis management. Food safety topics are presented in a user-friendly, practical way with real-world case studies and stories to help readers understand the day-to-day importance of food safety. ServSafe Coursebook is perfect for a 16 week college semester. Developed by the industry, for the industry, ServSafe is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, ServSafe offers a complete suite of printed and online products and is the most important ingredient to food safety training and certification success.

THE definitive book for food safety training and certification. The new ServSafe Manager Book with Online Exam Voucher, 7/e continues to be ideal for courses that cover the basics, condensed courses, continuing education, and even 1-2 day seminars. The updated book will help readers prepare for the most current ServSafe Food Protection Manager Certification Exam, and more importantly, it will promote adherence to food safety practices on-the-job. Food safety has never been more important to the restaurant industry and its customers. Based on the 2013 FDA Food Code, the ServSafe Manager Book, 7/e focuses on the preventative measures to keep food safe. To better reflect the changing needs of a diverse and expanding workforce, food safety topics are presented in a user-friendly, practical way with real-world stories to help readers understand the day-to-day importance of food safety. The streamlined delivery of food safety content will create a learning experience that is activity-based and easily comprehended by a variety of learners. The end result is content that is more focused, leading to stronger food safety practices and a better-trained workforce. Developed by the industry, for the industry, ServSafe is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, ServSafe offers a complete suite of printed and online products and is the most important ingredient to food safety training and certification success.

Includes detachable examination answer sheet in front of book.

The Food Safety Handbook: A Practical Guide for Building a Robust Food Safety Management System, contains detailed information on food safety systems and what large and small food industry companies can do to establish, maintain, and enhance food safety in their operations. This new edition updates the guidelines and regulations since the previous 2016 edition, drawing on best practices and the knowledge IFC has gained in supporting food business operators around the world. The Food Safety Handbook is indispensable for all food business operators -- anywhere along the food production and processing value chain -- who want to develop a new food safety system or strengthen an existing one.
