Discworld is a comic fantasy book series written by the English author Terry Pratchett, set on the Discworld, a flat planet balanced on the backs of four elephants which in turn stand on the back of a giant turtle. The series began in 1983 with *The Colour of Magic* and continued until the final novel *The Shepherd's Crown* was published in 2015, following Pratchett's death.

Discworld - Wikipedia

Pratchett was always a very sharp, clear, & purposeful writer. Here, plot, prose, and humour are all laboured & ponderous, and the themes? Well, sometimes he made some very pointed observations about our own world in the guise of the Disc, but they never got in the way of the story. In *Snuff* he is clumsy & moralistic; overt instead of subtle.
